Security & Protection

Security Services

Security Officers

Trained Security Officers who manage front-office security with professionalism. They handle visitor registration, logs and records, monitor the movement of people, staff and materials, supervise and maintain the security staff, keep company owners and management updated, and conduct staff training.

Associate Security Officers

Dependable Associate Security Officers who support day-to-day site security. They handle visitor entry, keep registers and documentation up to date, and track the movement of people, staff and materials.

Security Guards

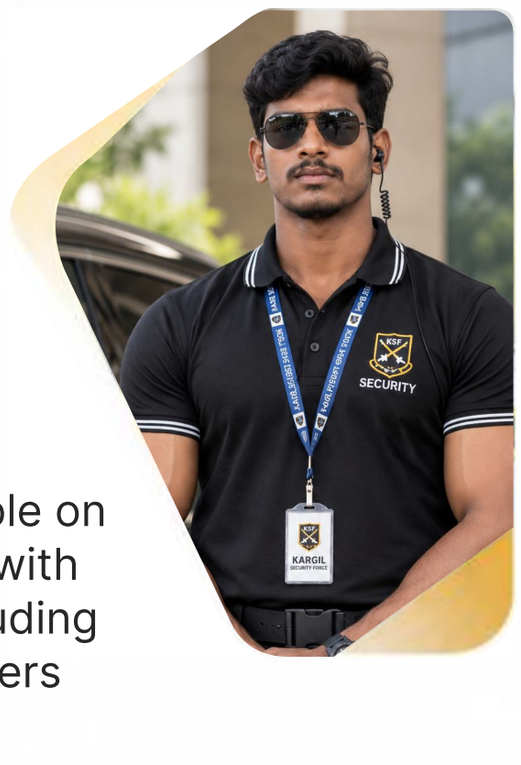

Alert and disciplined Security Guards for residential and commercial properties. They monitor all entrances and exits, prevent unauthorized entry, regulate the movement of people, vehicles and parking, and are trained to use fire extinguishers in emergencies.

Lady Guards

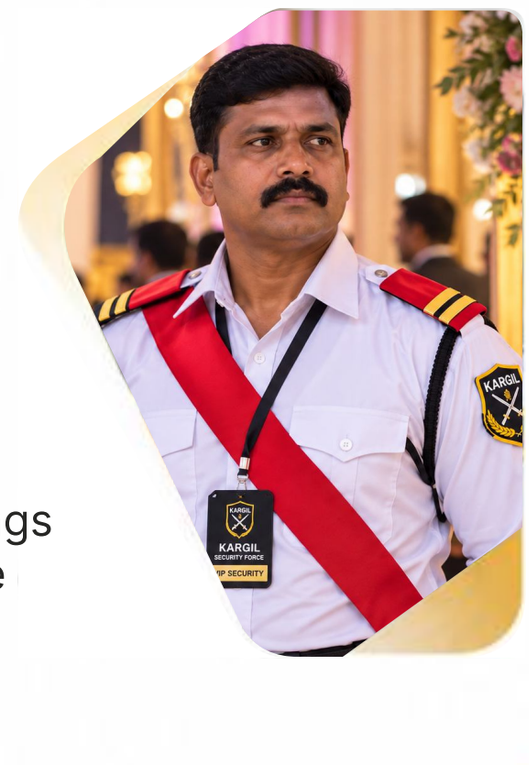

Trained Lady Guards who control, monitor and authorize access at entrances. They conduct courteous security checks of female employees, visitors and other persons upon arrival and departure.

VIP & Event Protection

Bodyguards

Personal protection for high-profile individuals. This specialized service is available on request for VIPs and clients with specific security needs, including public figures, business leaders and political personalities.

VIP & Event Security Guards

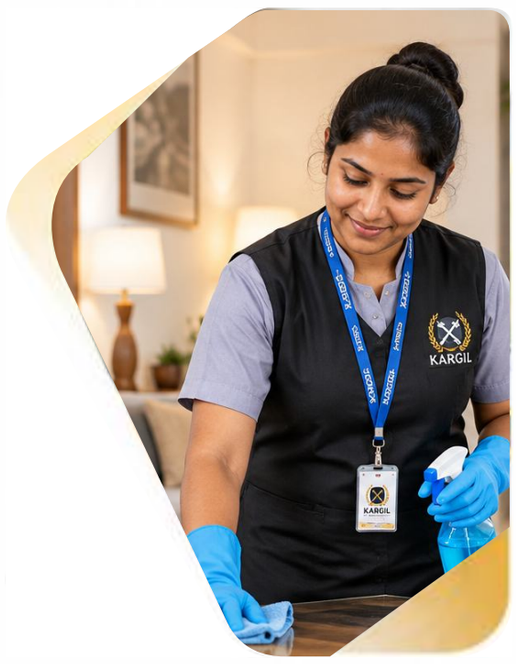

Uniformed guards in full ceremonial white for weddings and functions. They manage guests, crowds and parking while you celebrate.

Facility, Care & Technical Support

Housekeeping & Hospitality

Housekeeping

Thorough cleaning for flats, apartments, offices and independent houses, covering common areas, parking, gardens, halls, bedrooms and kitchens.

Cooking Services

Skilled cooks for homes, offices, hostels and canteens. North and South Indian, veg and non-veg, from daily meals to bulk cooking for 500+ people, with quick replacement on leave.

Office Support

Office Receptionist

Polished Receptionists who greet every client with a warm welcome and efficiently manage all front-office duties.

Office Assistant

Reliable Office Assistants who support your staff with day-to-day tasks and carry out all assigned work promptly and responsibly.

Helper Services

Trained male and female helpers for offices, warehouses, factories, kitchens and homes. We follow strict quality control, so you get dependable help from day one.

Care Services

Patient Attenders

Caring Patient Attenders who assist with meals, medication, water and all daily needs of patients. They also help elderly and differently-abled patients with restroom use. All attenders are healthy, neat and well-presented.

Technical & Plant Operations

WTP & STP Operators

Trained operators for water and sewage treatment plants. They run daily operations, test water quality, dose chemicals as per SOP and maintain compliance logs.

Multi-Skilled Technicians

Cross-trained technicians for electrical, plumbing and general repairs, with daily rounds and quick breakdown response.
